About KASS TOWERS

Accra's most rewarding investment. KASS Towers

We are delighted to introduce the KASS Towers development to you. With its striking glass features and designs, KASS Towers will be a notable development in the city of Accra. Two towers with 110 luxurious residential units infused with smart home technology and with over twenty exclusive amenities, will be the most desired residence by tenants in Accra, affording you the investor positive rental yields.

KASS TOWERS is currently selling as an off-plan property offering an opportunity for investors to invest at a time when the apartments' value is only beginning to rise and will generate a positive return on investment in value at completion.

It has a projected rental Rate Of Interest (ROI) ranging between 7% -13% competing with international rental ROI.

It gives you the option to buy and live in saving on a lifetime of rent as well as giving you equity.
