About The Property

This beautifully planned three-bedroom house with a one-bedroom ensuite home is at Ayi-Mensa, a few minutes away from the Aburi - Adenta and very close to the Peregrino Place Development. The land size is 73 feet by 50 feet, with ample car parking space for 4 cars, a space for gardening, a pergola or gazebo, and an outdoor porch and backyard. The environment is very serene, with very well-fitting electrical layouts for all modern gadgets and appliances. The kitchen is fully fitted and space has been created for washing machine, fridge and smoke extractor as the kitchen is cited between the dinning area of the main hall and the outdoor wet area to the boys quarter. The rooms are spacious, with all the bathrooms neatly tilled, fitted, and equipped with wardrobes. Thus, from the warmth and comfort outlay inside, the outside within the inner perimeter fence has green areas around the building, gravel parking spaces, and designated area for a pergola or gazebo to ensure tranquil time outside with family and friends.
