About The Property

It is an upscale secure residential enclave comprising 8 townhouses with 24-hour management services. Each townhouse is thoughtfully designed and skillfully crafted. A typical townhouse is a 4-Bed, 4.5 Bath on three (3) floors with an Ensuite Help's Quarters. The house is on a generous lot with bespoke landscape design. Each house can park 3-cars (up to 5 cars with landscape redesign). The Ground floor hosts a Living-Dining-Kitchen in an open-plan layout. Servicing the kitchen is a storeroom and a Laundry/Pantry/Utility area.
On the First Floor are located three (3) Ensuite bedrooms a Study room and a Lounge for the Family. All bedrooms have a built-in closet.
The Master Suite is located on the Second Floor, commanding fantastic views from its terrace. The master suite evokes luxury (like a pent-house) with its own lounge, luxurious bathroom, and Walk-In-Closet.
